THINGS TO KNOW

Helpful Tips

Street Noise

We've added soundproofing, but some traffic noise may be audible. Earplugs and white-noise machines are provided for light sleepers.

Stairs

The home is on three levels with stairs between floors and is not wheelchair accessible.

Parking Size

The dedicated spot is 8 ft wide. Larger vehicles should use free street parking nearby.

Safety & Privacy

Exterior cameras cover the front and side doors. A decibel-only sound monitor (no audio recording) helps keep noise in check.
